About Us

The 622 Education Foundation generates and distributes resources to District 622 schools to create, enrich, and expand programs that enhance the quality of education.

Our board is made up of district parents, community members, business owners, and district employees.

The resources provided to District 622's most disadvantage students are invaluable.

Student need continues to grow, and we are appreciative of monetary donations provided by individuals and local businesses.

Superintendent Christine Osorio
