

2020/2021 ANGEL FUND GRATITUDE REPORT

TOGETHER

WE MAKE GREAT THINGS HAPPEN

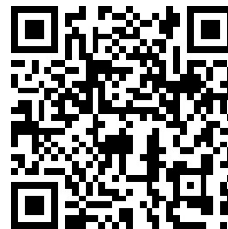

This gratitude report is created with deep appreciation to those who make the Angel Fund possible. Since 1998, donors, social workers, the foundation board and supporters of the 622 Education Foundation have come together to assist students and families who are in financial need. This year provided new challenges and the Angel Fund was an invaluable resource to assist with those in greatest need across the district.

Thank you to our Angel Fund donors for making these items possible!
